

- Archery
- Gardening clubs
- Skatepark
- Swimming
- Motorcycle off roading
- Weekend survival courses.

Other suggestions included cultural activities, music festival, theatre, as well as requests for activities that are indoors and accessible to all. Also suggested were youth centres and children's play centres.

Respondents were asked what would best promote business, employment and tourism in the parish. The results are shown at figure 8. There was broad support for the majority of options, other than more office space where only 38.7% of those who answered the question agreed, with 44.4% having no opinion and 16.9% disagreeing.

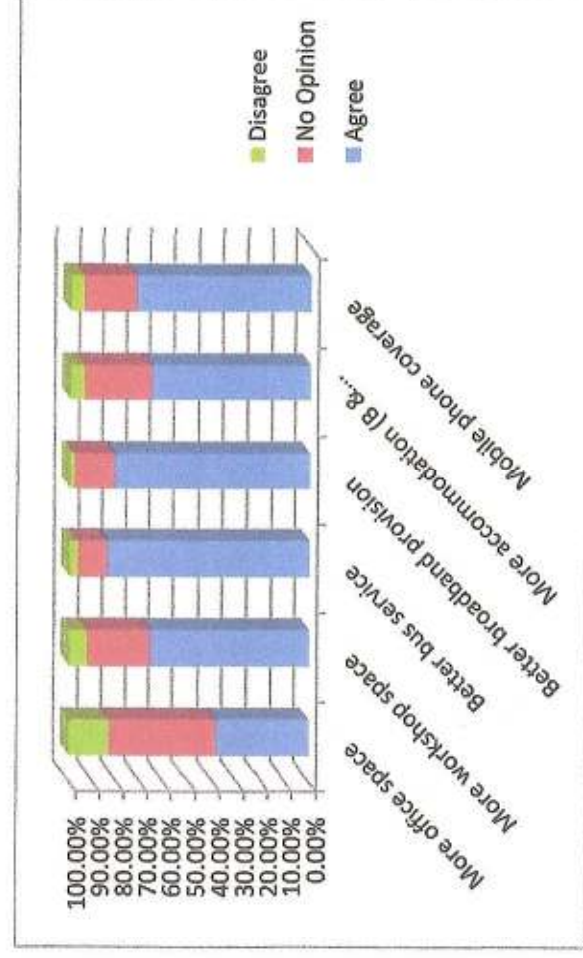

Figure 8: Which would best promote business, employment and tourism in the parish

Additional comments were received from 30 respondents with further suggestions which included:

- Improved parking/traffic management/park and ride/bus services
- Start up grants/loan schemes/ equipment loan/reduced business rates
- Variety of premises to rent; offices, shops, garages
- Town council champions with experience of business and industry
- Promotion of the town
- Seminars to support rural business

In addition comments were made about specific needs including:

- Nursing/residential home
- Better café and toilet facilities
- Clothes shops
- Shoe shop
- Variety of small shops
- Better places to eat
