

Figure 18: % of respondents with energy efficiency/low carbon measures installed in their home.

Respondents were asked how important they considered some services, the results are shown in the table below:

	Important	No opinion	Not important
Recycling facilities	95.5%	3.5%	1.0%
Repair and maintenance of gutters, ditches & gullies	91.3%	7.9%	0.8%
Keep roadside verges mown and tidy	87.5%	7.8%	4.7%
Repair gates, stiles and bridges	84.1%	13.6%	2.3%
Have a Cleobury tidy up day once a year	67.3%	28.0%	4.7%
Stop vehicle damage to road verges	62.2%	30.1%	7.7%
Plant more trees	61.5%	28.7%	9.8%
Let roadside verges grow for wildlife	34.5%	37.6%	27.9%

The final question in this section asked respondents how they felt about measures to help combat climate change. The results are shown at figure 19.
