Local Market

We host a monthly local market to coincide with the Farmers' Market at the church which is open to a broad range of traders. We have space to welcome more traders, stalls cost £10 and there is no need to commit to attend every month.

Our thanks go to Sarah, Sheralee, Pam, Dick & Barbara and Marion for their regular attendance.

Please contact Ali for further information.

Building Developments

The WW1 Committee installed a centenary memorial plaque on the front wall of the Hall.

We have switched all public area lighting in the building to LED which has been an investment for the future this year.

We are continuing to seek to replace the upstairs timber-framed windows with double-glazed aluminium frames to provide a better quality of experience for users of the Function Room and to achieve consistency of the windows throughout the building.

We are also intending to convert a large storage room into an additional office by adding a window which will be available in the near future.

The Market Hall Story

We would like to build up a bank of information and stories about the Market Hall so that tourists and residents of Cleobury can learn more about this historic building in the town centre.

If you have any information you think may be of interest, please contact Ali.
